

Oslo Cellofest!

29–31 January 2027

Venue: Voldsløkka

Kulturstasjon

Uelandsgate 85, Entrance D

We are delighted to invite you to the **3rd Oslo Cellofest!**

Cellists who study using the Suzuki Method or play from the Suzuki Cello School books are warmly welcome to join us for an inspiring and educational weekend of ensemble playing.

The seminar runs over three days. Advanced students may participate for either two or three days, younger students for two days, and the very youngest students may attend for one day. There will be group lessons organized by level, as well as sessions for all participants together. The oldest students will also have opportunities to take part in masterclasses and perform in a cello ensemble.

This year, we are fortunate to have two internationally recognized teachers on our faculty:

- **Carey Beth Hockett** (Los Angeles, USA)
- **Brendan Conroy** (The Netherlands)

You will also meet our outstanding Norwegian Suzuki cello teachers:

- **Ingrid Søfteland**
- **Anna Helgadottir**
- **Hilde Sponberg Hansen**
- **Olav Stener Olsen**
